PROFESSIONAL EXPERIENCE

Amazon   **Avenal, NJ**
Warehouse Associate   **June 2017 – July 2017**
- Coordinated with 15 stockroom associates, 3 floor managers, and team ambassadors to ensure all incoming packages are received without damage and sent to corresponding docks for outbound procedures
- Executed the Amazon Warehouse procedures correctly to establish seamless communication between the associates and floor managers creating a safe environment and flow of work
- Conserved the time spent scanning for outbound shipment by simultaneously scanning the packages and sealing the pallets

Inetsoft Technology   **Piscataway, NJ**
Web Application Development Intern   **June 2016 – Aug. 2016**
- Utilized Google's Angular2 framework, reinventing the functionality/design of the Inetsoft web application to comply with current website standards
- Implemented an array of dialogue boxes and data classes, effectively retrieving and storing user information from server to perform data manipulation on the back end
- Addressed major bugs and server timeouts across both front and back end interface by communicating with roughly 100 users
- Reported to senior developer on a weekly basis with status updates and debrief using the subversion integration platform

Collab Infotech   **Princeton, NJ**
Database Manager and Head Recruiter   **Feb. 2015 – April 2015**
- Created master list containing Microsoft Excel spreadsheets and server database of nearly 300 candidate responses
- Interacted with prospective applicants, providing them with thorough breakdowns and assistance for each respective position
- Acquired knowledge across each company sector and gained insight on human resource focuses, such as marginal earnings
- Corresponded with interested clients in a timely manner by reporting feedback and detailing next steps after placement

QuikCal   **Plainsboro, NJ**
Information Technology Specialist   **March 2014 – Present**
- Managed SQL Database and Windows 2008 server, assuring applications are up to date and tracking server uptime
- Designed, planned and advertised an instructional video presentation about the usage of the website and its many features
- Compiled stock tickers from NASDAQ, NYSE and AMEX onto a Microsoft Excel spreadsheet, allowing further computation of stock fundamental evaluation

EXTRACURRICULAR ACTIVITIES

Rutgers Consulting   **New Brunswick, NJ**
Director of Alumni Relations   **Sep. 2017 – Present**
- Pioneered Basecamp as an internal consultant for the executive board to promote team dynamic, structure, and collaboration
- Launched the Consulting Analyst Program with members on the executive board allowing students to work directly with small businesses as consultants
- Created the first mentor/mentee program which allows mentees to connect with older students and alumni for guidance
- Oversaw a CRM of 70 alumni contacts by making sure all interactions and participations were logged for efficiency

Alpha Kappa Psi, The Co-Ed Professional Business Fraternity   **New Brunswick, NJ**
Scholarship Co-Chair, Professional Development Co-Chair, Pledge Class Vice President   **Feb. 2017 – Present**
- Presented workshops to both current and future members to foster knowledge base and professional growth
- Developed a thorough business plan, including marketing and sales, financial projections, and market analysis, to propose to potential investors
- Led the coordination of networking events hosting companies like Deloitte, PwC, and KPMG
- Facilitated a team of 18 to organize various social, professional, and fundraising events
